hello@maidstonestudios.com

ARRIVING AT MAIDSTONE STUDIOS:	• We have several disabled parking spaces across site near to the main entrance and also by Studio 1 and 2 • We have a drop curb for accessibility access for Wheelchairs which is situated outside main reception. • Signage including exits, toilets, route to the studio and automatic doors are clearly sign posted in large font. • Assistance dogs: a toilet space and drinking water is available, please speak to one of the team above in advance.
AUDIENCES:	• Our Stewards and security have disability awareness training including how to guide partially sighted and blind people. • We have a shorter route into studio 1, 2 & 3 for audience members with mobility impairments. • There is an accessible toilet available between studio 1, 2 & 3. • Audiences can leave the studios when necessary but please speak to a steward if you have any questions or issues prior to leaving. They are your first port of call when watching a show. • we have step free routes from studio entrance to seating. please discuss with the above contact if you need further clarity on this.
STUDIOS:	• All studios have a step free route and there are large dock doors for wheel chair access. • If you need an induction loop please let one of the team know ahead of filming (please email us a few days before). • our Wardrobe room & make up room are all on the ground floor, with wide double doors. • Our American Diner for production catering is on the ground floor and is also wheel chair accessible with wide double doors. • We have a fully accessible dressing room and toilet available for booking with wide double doors. this is on a first come, first serve basis so please speak to one of us prior to arrival.
GENERAL:	• We have six disabled toilets across three floors. • We have several 'quiet rooms' available - please speak to a member of our team to book one of these spaces.
